

## Mental Health Providers:

### Join Great Plains Mental Health: Empower Your Practice, Focus on Your Patients

At Great Plains Mental Health, we offer psychiatric nurse practitioners and therapists the perfect blend of independence and support. Here, you can enjoy all the benefits of independent practice without the administrative headaches.

#### Why Choose Great Plains Mental Health?

- **On-Site Billing:** Say goodbye to third-party mismanagement. Our dedicated billing team ensures smooth and efficient processing.
- **Credentialing Made Easy:** Partnering with Methodist Health Services means access to a larger payer network and better reimbursement rates.
- **Comprehensive Support:** Our technical and support staff are here to handle the complexities of healthcare delivery, so you can focus on your patients.
- **Beautiful, Spacious Offices:** Work in a comfortable and professional environment designed to enhance your practice.
- **Fully Cloud-Based EHR System:** Access patient records and manage your practice from anywhere, at any time.

#### Flexibility and Autonomy

At Great Plains Mental Health, you decide when and where you see patients. Our cloud-based EHR and work system provide the flexibility to manage your practice on your terms.

#### Focus on What Matters

With all the administrative tasks handled by our support staff, you can dedicate your time and energy to what truly matters—your patients.

Join us at Great Plains Mental Health and experience a practice where your professional growth and patient care come first.
